STIPULATION AND ORDER

The Parties in the above matter have reached an agreement in principle to resolve all claims, motions and issues outstanding between them, including the above captioned action pending before this Court, and are in the process of memorializing the agreement. Accordingly, the parties, through their undersigned counsel, stipulate to a one-week extension of time for the filing of opposition and reply briefs to Respondents' Omnibus Motion for Order Entitling Respondents to an Award of Reasonable Attorneys' Fees and Costs as Sanctions Against Petitioner and its Counsel of Record under 28 U.S.C. 1927 and the Bad Faith Exception to the American Rule, and all related documents, including declarations, exhibits and Notices of Joinder in said motions. Therefore, in an effort to preserve judicial resources pending the execution of a Settlement Agreement, the Parties believe that a one-week extension is appropriate. The Parties will continue to keep the Court apprised of the status of the settlement.

IT IS SO STIPULATED.
